

NORTHERN PULP
NOVA SCOTIA CORPORATION
A PAPER EXCELLENCE COMPANY

Northern Pulp Nova Scotia Corporation operates a modern highly technical bleached kraft pulp mill at Abercrombie Point in northern Nova Scotia.

We have openings for the following position in our Woodlands Department:

TEMPORARY CHIP PLANT OPERATOR

Reporting to the Chip Plant Supervisor, the Chip Plant Operator is responsible for the following duties:

- Drives production by controlling the flow of wood to the chipper
- Assists in chipper knife changes, debarker changes, conveyor belt adjustments and repairs
- Operates stationary grapple for removal of wood jams and metal contamination
- Removes debris from rock trap
- Coordination of wood loading
- Operation of chain saw and skid steer
- General housekeeping in the plant such as cleanup of woodchip spillage from conveyors and all other duties requested by management.

Candidates must have a Grade 12 diploma or equivalent and demonstrated a positive work ethic and the ability to work and communicate successfully in a team environment, with minimal supervision. Adaptability to various work assignments and changing conditions is essential. We are seeking responsible individuals, with a commitment to workplace safety and quality.

To apply, forward the following:

- detailed resume
- references
- copies of **all** related academic transcripts and certificates of qualification to:

Recruitment Officer
Northern Pulp Nova Scotia Corporation
