

NORTHERN PULP NOVA SCOTIA CORPORATION

Northern Pulp Nova Scotia Corporation operates a modern highly technical bleached kraft pulp mill at Abercrombie Point in northern Nova Scotia.

We have an immediate opening for the following position:

JOURNEYMAN INDUSTRIAL ELECTRICIAN

This position will be of interest to **Journeyman Industrial Electricians** with a High School Completion Certificate, or equivalent. A two-year diploma in Electronic or Electrical Technology and experience in low voltage distribution and industrial electronics would be an asset. Three (3) years practical experience in the trade along with experience in programming programmable logic controllers will assist employees in this function.

A solid working knowledge of personal computers as applied to industrial control is required. Candidates must have demonstrated a positive work ethic and the ability to work and communicate successfully in a team environment, with minimal supervision. Adaptability to various work assignments and conditions is essential. We are seeking a responsible individual, with a commitment to workplace safety.

This is a bargaining unit position with a full range of benefits that are comprehensive and competitive.
