

Certificate of Registration

This is to confirm that KPMG Performance Registrar Inc. has verified that

Northern Pulp Nova Scotia Corporation

260 Granton Abercrombie Branch Road, Abercrombie, Nova Scotia B2H 5C6

Conforms with the requirements of the 2015-2019

Sustainable Forestry Initiative® (SFI) Forest Management Standard

This certification applies to:

Forest operations and related activities carried out by Northern Pulp Nova Scotia Corporation (Northern Pulp) on the Northern Pulp Crown licence, western Crown lands and stumpage areas and Northern Timber Nova Scotia fee lands (harvest planning, road construction and maintenance, forest harvesting, trucking, silviculture and tree nursery and tree improvement operations), as well as Northern Pulp road construction and forest harvesting on fee lands owned by Wagner Forest Products or under a Stumpage Agreement with Northern Pulp.

This certification is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Performance Registrar Inc. and the holder thereof. Certification does not assure the effectiveness of the Sustainable Forest Management System or continued compliance with relevant forest and environmental legislation and regulations.

Certificate No. PRI-SFI-FM-012
Issue Date: April 29, 2005
Renewal Date: November 22, 2017
Expiry Date: June 30, 2018
