

The tree seedling nursery for Northern Pulp is located in **Debert, Nova Scotia**. With 24 greenhouses and 2.4 hectares of outdoor growing space, we are the largest tree nursery in the province growing approximately 6 million seedlings annually. We are looking for **seasonal** workers to join our nursery team.

## **Truck Driver**

Our seedlings are transported throughout the province. Truck Drivers are responsible for loading and unloading the trucks and transporting seedlings to various locations.

Truck Drivers must have Class 3 license with air brakes endorsement.

Approximate start date: April 29<sup>th</sup>, 2018

Job Status: Seasonal – 10 weeks

Location: Debert, Nova Scotia
