

NORTHERN PULP
NOVA SCOTIA CORPORATION
A PAPER EXCELLENCE COMPANY

Northern Pulp Nova Scotia Corporation operates a modern highly technical bleached kraft pulp mill at Abercrombie Point in northern Nova Scotia. We are assembling a list of potential candidates for the following position:

Interprovincial Red Seal Welder

This opportunity is for an individual who holds a Red Seal Welding certificate and Department of Labour High Pressure Pipe Welding Tickets F3/F4, F5/F6 in accordance with ASME Section IX, along with a Red Seal Steamfitter/Pipefitter Certificate and/or Industrial Mechanic Certificate. He/she has demonstrated a positive work ethic and the ability to work and communicate in a team environment. This individual will have good analytical and problem solving skills and will be capable of working with minimal supervision in a changing work environment. The successful candidate will also be adaptable to various work assignments, and must be a responsible individual, interested in self-development, with a commitment to workplace safety and quality.

Candidates must hold a High School Completion Certificate, or the equivalent. A solid working knowledge of lay-out, fabrication, repair, installation, and modification of metal assemblies pertaining to pipe is required. Candidates should have a minimum of three (3) years of practical experience in high pressure pipe welding using Stick (SMAW) and TIG (GTAW) processes.

This is a full-time bargaining unit position with a full range of benefits that are comprehensive and competitive.

To apply, forward the following:

- detailed resume
- references
- copies of all related academic transcripts and certificates of qualification to:
