

Certificate of Registration

This is to confirm that KPMG Performance Registrar Inc. has verified that

Northern Pulp Nova Scotia Corporation

260 Granton Abercrombie Branch Road, Abercrombie, Nova Scotia B2H 5C6

Conforms with the requirements of the 2010-2014

Sustainable Forestry Initiative® (SFI) Standard

This certification applies to:

Northern Pulp Nova Scotia Corporation (Northern Pulp)'s forest operations on the Northern Pulp Crown Licence, Crown volume-based allocation and Nova Scotia private forest lands owned by Northern Timber Nova Scotia, as well as related wood procurement for the Northern Pulp Pictou Mill.

This certification is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Performance Registrar Inc. and the holder thereof. Certification does not assure the effectiveness of the Sustainable Forest Management System or continued compliance with relevant forest and environmental legislation and regulations.

Certificate No. PRI-SFI-012
Issue Date: April 29, 2005
Renewal Date: December 2, 2014
Expiry Date: December 1, 2017
